Subject: 063-B - Stakeholder Comment on the National Institute for Occupational Safety and Health (NIOSH) Fire Fighter Fatality Investigation and Prevention Program (FFFIPP)-2011

I have reviewed the NIOSH Fire Fighter Fatality Investigation Reports throughout my career. I have found them to be an invaluable learning tool in preventing firefighter injuries and fatalities. My command staff reviews and discusses a NIOSH report after each monthly staff meeting. Thanks for doing a great job and making this information available to the fire service.
