The recent letter to all respirator manufacturers identified you as the person to send updated spreadsheets.

Attached is a copy of the spreadsheet with the 3M approvals. We sent one copy in earlier with obsolete respirators. Attached is the sheet with inactive products identified along with some more obsolete products.

We are still working on the active list.

If you have any questions please feel free to contact me.

Thanks,

(See attached file: MMM with inactive and obsolete 072707.xls)
