

Written Response Form

March 26, 2007

This form is provided for written comments on the Health Statistics Review Follow-up: Cancer and Birth Outcome Analysis in the Endicott area. These comments will be considered, summarized, and addressed in the final health consultation.

Comments on the Health Statistics Review Follow-up:

Why is it just "CANCER," WHAT ABOUT LUNG DISEASE (ASTHMA & RESPIRATORY) THESE BOTH VERY IMPORTANT HEALTH ISSUES. YOU CAN CHECK OUT IBM DEPARTMENTS - 460, 061, 070, 052, 391, TOOL ROOM CRIBS AND ANY DEPARTMENTS RELATED TO MACHINING, MANUFACTURING. A LOT OF PEOPLE HAVE ILLNESSES & AND HAVE DIED IN THOSE YEARS OF CANCER & LUNG DISEASES AND HAVE HAD SERIOUS RASHES ETC. I BELIEVE MY HUSBAND & I WORKED THERE FOR YEARS. I'M SICK AND GOT IT ALL FROM THERE. MY HUSBAND HAD SKIN RASHES A LOT. WE BOTH WERE IN MACHINING THE WHOLE TIME EXCEPT FOR A FEW TEMP. ASSIGNMENTS. HERE'S JUST A FEW OF THE CHEMICALS WE WORKED IN AND NEVER SAW A MSDS. IT REALLY NEW HOW DANGEROUS THESE CHEMICALS WERE UNTIL THE LATTER YEARS. ALSO THEY DID LET EVERY ONE SMOKE AT THEIR MACHINE RIGHT NEXT TO THE METHYLNE: CHLOROFORM (ATTACH ADDITIONAL SHEETS IF NEEDED) CHEMICALS. THEY EVEN LET US WASH OUR HANDS ~~IN~~ IN IT, THAT WAS THE ONLY WAY TO

If you wish, please provide your name and contact information. We get the comments. We appreciate your input!

YOUR HANDS.

Phone: _____

Please hand this in at the availability session, or if you wish to mail it, please send to: Endicott HSR Follow-up, NYS DOH, 547 River St, Room 200, Troy, NY 12180. Comments may also be submitted by email to: beoe@health.state.ny.us All comments are due by May 28, 2007.

CHEMICALS IN OUR AREAS (all highly toxic)

(may be misspelled)

Methylene Chloroform

TRI-methalene

Feon

Mineral spirits

COOLANTS

glues

OILS, RAPID TAP, ect.

(more I just can't remember because we been out at least YRS.

SOLIDS - That we breathed in

that when machined turns to dusty air EVERY DAY

(MACHINES) we use to grind a these materials - some are highly CANCEROUS & bad for lungs

tinered metals

steel

Aluminum

Vegn

Cold roll

IRON

Copper

BRASS

titanium (very toxic)

phenolic - very toxic

green glass - very toxic

plexy glass

poly-PRO

Nylon

P.V.C - white & grey
