DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Notice of Interest Rate on Overdue Debts

Section 30.13 of the Department of Health and Human Services' claims collection regulations (45 CFR part 30) provides that the Secretary shall charge an annual rate of interest as fixed by the Secretary of the Treasury after taking into consideration private consumer rates of interest prevailing on the date that HHS becomes entitled to recovery. The rate generally cannot be lower than the Department of Treasury's current value of funds rate or the applicable rate determined from the "Schedule of Certified Interest Rates with Range of Maturities." This rate may be revised quarterly by the Secretary of the Treasury and shall be published quarterly by the Department of Health and Human Services in the **Federal Register**.

The Secretary of the Treasury has certified a rate of 12³/₈% for the quarter ended March 31, 2007. This interest rate will remain in effect until such time as the Secretary of the Treasury notifies HHS of any change.

Dated: April 18, 2007.

Notice of Public Meeting

AGENCY: The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC), Department of Health and Human Services.

Meeting Date and Time: May 3, 2007, 1:30 p.m.-5 p.m. EDT.

Place: Pittsburgh Airport Marriott, 777 Aten Road, Coraopolis, PA 15108, telephone (412) 788-8800, fax (412) 788-6299.

SUMMARY: The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) announces the following public meeting and request for information:

NIOSH Availability of Opportunity to Provide Input regarding the National Occupational Research Agenda (NORA) for the Mining Sector.

Status: Meeting is open to the public, limited only by the space available. Participation is encouraged through the Web for those who cannot attend in person.

Background: A large part of our lives is shaped by the work we do. NORA is a framework to guide occupational safety and health research for the nation. It is an ongoing endeavor to focus research to reduce work-related injury and illness. As the program entered its second decade, it was structured according to eight industry sector groups in order to encourage widespread adoption of effective practices developed through research. Each sector will have a NORA Sector Council consisting of NIOSH and stakeholder representatives. The initial task of the NORA Mining Council will be to draft a strategic plan for the nation addressing high priority needs in the sector. Following revisions based on
