Indian Health Service

Notice of Service Delivery Area Designation for the Koi Nation of Northern California Formerly Known as the Lower Lake Rancheria

AGENCY: Indian Health Service, HHS.

ACTION: Notice.

SUMMARY: This Notice advises the public that the Indian Health Service (IHS) proposes the geographic boundaries of the Service Delivery Area (SDA) for the reaffirmed Koi Nation of Northern California, formerly known as the Lower Lake Rancheria, California (Indian Entities Recognized and Eligible to Receive Services From the United States Bureau of Indian Affairs, 80 **Federal Register** 1942 Jan. 14, 2015). The Koi Nation's Federal recognition was reaffirmed by the Assistant Secretary of Indian Affairs on December 29, 2000. The Koi Nation SDA is to be comprised of Lake and Sonoma Counties in the State of California. The counties listed are designated administratively as the SDA, to function as a Purchased/ Referred Care (PRC), formerly known as contract health services, SDA, for the

purposes of operating a PRC program pursuant to the Indian Self-Determination and Education Assistance Act (ISDEAA), Pub. L. 93-638.

DATES: This notice is effective 30 days after date of publication in the **Federal Register** (FR).

ADDRESSES: Comments may be mailed to Ms. Betty Gould, Regulations Officer, Indian Health Service, 801 Thompson Avenue, Suite 450, Rockville, Maryland 20852. Comments will be made available for public inspection at this address from 8:30 a.m. to 5:00 p.m. Monday-Friday beginning approximately two weeks after publication of this notice.

FOR FURTHER INFORMATION CONTACT: Mr. Carl Harper, Director, Office of Resource Access and Partnerships, Indian Health Service, 801 Thompson Avenue, Suite 360, Rockville, Maryland 20852. Telephone 301/443-2694 (This is not a toll free number).

SUPPLEMENTAL INFORMATION: The IHS currently provides services under regulations in effect on September 15, 1987 and IHS republished at 42 CFR part 136, subparts A through C. Many of the newly recognized/restored/reaffirmed Tribes do not have reservations and either Congress has legislatively designated counties to serve as SDAs or the Director, IHS, exercised reasonable administrative discretion to designate SDAs to effectuate the intent of Congress for these Tribes. The Director, IHS, published notice of the establishment of SDAs in the June 21, 2007 FR Notice (72 FR 34262-01). The SDAs function as PRC SDAs for the purposes of operating a PRC program pursuant to the ISDEAA, Pub. L. 93-638. Thus, the PRC SDA list incorporates the SDAs that operate as PRC SDAs for newly recognized/restored/reaffirmed Tribes. At 42 CFR part 136 Subpart C, a PRC SDA is defined as the geographic area within which PRC will be made available by the IHS to members of an identified Indian community who reside in the area. Residence within a PRC SDA by a person who is within the scope of the Indian health program, as set forth in 42 CFR 136.12 creates no legal entitlement to PRC but only potential eligibility for

services. Services needed but not available at an IHS/Tribal facility are provided under the PRC program depending on the availability of funds, the person's relative medical priority, and the actual availability and accessibility of alternate resources in accordance with the regulations.

As applicable to the Tribes, these regulations provide that, unless otherwise designated, a PRC SDA shall consist of a county which includes all or part of a reservation and any county or counties which have a common boundary with the reservation (42 CFR 136.22(a)(6) (2014). On December 29, 2000 the Assistant Secretary of Indian Affairs reaffirmed the Federal recognition of the Koi Nation (Tribe), formerly known as the Lower Lake Rancheria, and the government-to-government relationship between the United States and the Tribe. The Koi Nation is located in Lake and Sonoma Counties in the State of California. After consultation with the Tribal governing body, the SDA for the Tribe was agreed upon. The purpose of this FR notice is to notify the public that the IHS now administratively designates Lake and Sonoma Counties as the Koi Nation's SDA.

Under 42 CFR 136.23 those otherwise eligible Indians who do not reside on a reservation but reside within a PRC SDA must be either members of the Tribe or maintain close economic and social ties with the Tribe. In this case, the Tribe estimated the eligible user population to be 72 enrolled Koi Nation members who are actively involved with the Tribe.

The Koi Nation's Tribal office is located in the city of Santa Rosa, Sonoma County, in the State of California. A significant number of the Koi Nation SDA eligible user population also resides in Lake County in the State of California. There are other Federally recognized Tribes in Lake and Sonoma Counties and both counties are currently part of other Tribes' PRC SDA. The Koi Nation only seeks to provide health care services to its members who reside in Lake and Sonoma Counties.

This notice does not contain reporting or recordkeeping requirements subject to prior approval by the Office of Management and Budget under the Paperwork Reduction Act of 1980.
